NOTES

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

The Editor of the Navy List,
Ministry of Defence (N.P. 2),
Old Admiralty Building,
Whitehall,
London, S.W.1,

mentioning the ship and page in question. Communications should be marked " On Her Majesty's Service," and need not be stamped.

The Navy List is published three times a year—in the Spring, Summer and Autumn.

The Spring edition is the full edition, on sale to the public, and is published in March. The other editions are abridged and contain only the alphabetical list of officers of the R.N., R.M. etc., the list of ships and air squadrons, etc., with their key officers and a few other pages, but the Autumn edition also contains the seniority lists of R.N., R.M., Q.A.R.N.N.S., W.R.N.S. officers. The Summer and Autumn editions are published in June and October respectively.

The Navy List of Retired and Emergency List Officers is published in November every other year, the next edition being 1969.

The rates of pay, regulations, &c., are contained in a special sale publication entitled "Appendix to the Navy List," which is published annually in August.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the Editor in order that the necessary alterations may be made in the Navy List and official records.

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of those held, but, generally speaking, are confined to degrees of an honorary nature conferred specially upon an Officer, and those which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

This edition of the Navy List is corrected to include those promotions, appointments, etc., promulgated on or before 31st October, 1968 as becoming effective on or before 28th February, 1969.

The above list is issued for the information of Captains of Her Majesty's Ships with reference to the provisions of Article 1252 of the Queen's Regulations and Admiralty Instructions, under which they are authorised to ascertain whether British Merchant Ships (including Fishing Vessels) flying the Blue Ensign of Her Majesty's Fleet are legally entitled to do so.

2. The detailed regulations issued by the Ministry of Defence (Navy Department) and the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

The Blue Ensign *is not to be worn if*—

(*a*) from any circumstances, the Officer to whom the Warrant was issued is not in command of the ship;

(*b*) the number of persons qualifying as "reservists" (see *Note* below), in addition to the Commanding Officer, is less than the following requirement:—

(i) in a ship other than a fishing vessel, one reservist officer,

(ii) in a fishing vessel, four reservists,

unless it can be shown by the endorsements on the Agreement or by entries in the official log, that the reduction in the number has been caused by death, sickness, desertion, or joining a British Man of War, or by some unavoidable casualty.

3. Commodores and Captains on the active or retired lists of the Royal Naval Reserve or Commonwealth Naval Reserves qualify for the privilege in their own right, without the requirement of a number of reservists.

4. Article 1252 of Queen's Regulations and Admiralty Instructions prescribes the action to be taken by the Captain of one of Her Majesty's Ships if a merchant ship is found to be wearing the Blue Ensign without the Warrant or otherwise not complying with the foregoing regulations.

Note.—"Reservists" can include Officers and men of the Royal Naval Reserve or of a Commonwealth Naval Reserve, time-expired ratings who have completed 20 years' service in the Royal Naval Reserve, members of the Royal Naval Special Reserve, Officers on the retired or emergency lists of the Royal Navy or of a Commonwealth Navy, men belonging to the Royal Fleet Reserve, Royal Naval Pensioners and Royal Marine Pensioners.

The Trust also administers **The Royal Naval Fund** in accordance with the terms of its Trust deed. The funds available consist mainly of the interest derived from the investment of the surplus proceeds of the Royal Naval Exhibition of 1891. The income so derived is expended in affording assistance to the widows, orphans or other dependent relatives of Seamen and Marines who have died while in the service of the Crown

THE OFFICERS' ASSOCIATION

The primary object of the Officers' Association is to relieve distress among all those who have at any time held a Commission in Her Majesty's Naval, Military or Air Forces (including the Women's Services and Nursing Services) and among their widows and dependants.

Although a separate organisation with its own Royal Charter, Council and Committees, the Association also bears the title of " The Officers' Benevolent Department of the British Legion ".

The Relief Branch deals with all cases requiring financial help or assistance in education and training of children. The Homes Branch assists in particular the elderly ex-officers and widows who can no longer look after themselves and require accommodation in a Home for the elderly or a Nursing Home. The Association maintains " Huntly," its own Home for elderly male ex-officers at Bishopsteignton, South Devon, and also a small bungalow estate at Leavesden, near Watford, for disabled ex-officers and their families.

It has a Claims and Pensions Branch which helps ex-officers or their widows with Disability Pension and other Claims and a Resettlement and Employment Department, which assists ex-officers to resettle in civilian life and to find employment.

It also runs a men's clothing store at its London Headquarters which issues clothing to ex-officers in necessitous circumstances and where gifts of suitable clothing are always welcome.

The Officers' Association is largely supported by a share of the Poppy Day collection and of other donations to the British Legion and also by the King George's Fund for Sailors, the Army Benevolent Fund and the R.A.F. Benevolent Fund.

It works in close co-operation with the British Legion, the three Services Benevolent Funds and with Corps and Regimental Associations and all Ex-Service Organisations. It has special working arrangements with the Officers' Families Fund, the Housing Association for Officers' Families and the Joint Committee of the Order of St. John and the British Red Cross Society.

It has Honorary Representatives throughout the United Kingdom, in Commonwealth countries, and in many foreign countries where there are sizeable British communities, and these Representatives investigate cases and recommend appropriate action to the Association's Headquarters.

The Association's Headquarters is at 28, Belgrave Square, London, S.W.1. (*Tel:* 01–235–8112) and it has a Branch in Scotland with offices at 23, Drumsheugh Gardens, Edinburgh 3. (*Tel:* 031–CAL–6684) and at 1, Fitzroy Place, Glasgow C.3. (*Tel:* 041–CEN–8141). The Scottish Branch runs a Nursing Home for male ex-officers in Edinburgh. Ex-Officers seeking employment in Scotland should apply to the Glasgow Office.

The Association also has Branches in Northern Ireland at The War Memorial Building, 5 Waring Street, Belfast 1. (*Tel:* 0232–24025) and in Eire at 2, Martello Terrace, Sandycove, Co. Dublin. (*Tel:* Dublin 801673).

Cases of ex-officers or their dependants, in need of help in any form, which come to the notice of British Legion Branches or anyone else, should be referred either to the nearest Honorary Representative or direct to the Association's Headquarters in London or to the appropriate Branch in Scotland or Ireland, to whom all other applications and enquiries should be made.

KING EDWARD VII's HOSPITAL FOR OFFICERS

BEAUMONT HOUSE, BEAUMONT STREET, LONDON, W.1

All officers of the three services, serving and retired, who have held regular or temporary commissions are eligible for admission, whether or not they subscribe. Sister Agnes's is run for their benefit and all subscriptions, donations and covenants enable this object to be attained. The Hospital has both private rooms and small wards.

The Council has as its object the provision of the best medical and surgical facilities at the lowest possible cost. Serving officers are entitled to free nursing and maintenance in the shared rooms. Otherwise, patients are asked to pay at the rate of 25 guineas per week for a private room and 15 guineas per week for a shared room or ward bed. If, however, either through insurance, or because he can afford it, a patient can pay a sum nearer to the actual cost to the hospital of his maintenance this is much appreciated. The ability of the patient to pay is always considered and there is a generously administered Samaritan Fund for those in straitened circumstances.

The Hospital is for surgical and medical cases, and has its own Resident Medical Officer, X-ray and Physiotherapy Departments.

The Hospital has its own Consultant Staff, whose fees are in accordance with the patient's means, on a scale approved by the Council. It is necessary for patients to be placed by their general practitioners (who may still continue to attend them) in the care of a member of the Hospital's Consultant Staff, a list of whom will be sent to the patient's doctor on application.

The Hospital is outside the National Health Service and is therefore dependent entirely on voluntary aid. Contributors are asked to pay £2 or more, by Banker's Order, which can be obtained from the Appeals Secretary, 6 Buckingham Place, London, S.W.1, who will also be pleased to receive all donations.

Parents and guardians are responsible for maintenance during the School holidays, for fares to and from School, and for reasonable pocket money. ' O ' level for boys in the grammar school streams and C.S.E. for boys in the secondary modern streams.

Some boys then leave to start their careers, but for boys nominated on the basis that they are likely to profit by them, the following further courses are available:—

or

(*b*) for boys from all streams, a one-year course affording the opportunity to aim at certain G.C.E. ' O ' level subjects in which they will at any rate be able to profit by, and participate fully in, the academic courses involved.
